Re: Electronics Recycling Center now available at Public Works

The City of Berwyn is proud to announce the opening of our electronics recycling center at Public Works. Located at 6700 W. 30th St., the center will be available to receive materials 8:00AM – 2:00PM, Monday through Friday. Should you have any questions regarding this center, please do not hesitate to call Public Works at 708-749-4700.
